### iGolf Concepts

Spencer Beezley and Trent Liebman opened iGolf Concepts on May 23 at 1332 E. Republic Road, Ste. A, in River Plaza. Although its name sounds like that of an online merchant, iGolf Concepts is a traditional 1,400-square-foot brick-and-mortar golf clothing and equipment store. Beezley said they shortened Innovative Golf Concepts to iGolf Concepts because it conveys the store's modern, customizable approach. Hours: 10 a.m.–7 p.m. Monday through Saturday and 11 a.m.–5 p.m. Sunday. Phone: (417) 887-4653.

### Digital Print Ink

Steve Counts acquired Digital Print Ink at 3464 S. Campbell Ave. on May 1 from Dave and Joy Adams, who retired after owning and operating DPI for nearly 28 years. DPI provides printing, graphic design, mailing services and training materials for customers in Springfield and surrounding communities. Counts previously worked as CEO for Banc Source Inc. in Republic. Prices vary depending on the order. Hours are 8:30 a.m.–5 p.m. Monday through Friday. Phone: (417) 881-5309.

### Screenmobile

Eric Shryer, owner of Screenmobile, opened a screen repair center and showroom March 1 at 1821 W. Sunset St. Screenmobile provides customers in Springfield and the surrounding area with window, door and porch screens and screen repair. After 10 years of providing only mobile service, Shryer said he wanted to offer more convenience and cost-effective services for customers. Window screening starts at \$10 and window-screen frames are available for \$18. Samples of products are on display in the showroom. Hours are 8 a.m.–4:30 p.m. Monday through Friday. Phone: (417) 883-4114.
